A great breeding season with exciting news for next

We set the boys books for 30 mares this year which was an easy number to handle and as usual they filled them. Most mares were hassle free though a few sets of twins had to be dealt with. Glad to say that we achieved **100% of mares confirmed in foal**. We had some lovely non ASB mares this year as we normally do, though this year they were mainly warmbloods including Belcam & a lovely Gymnastic Star mare to name but two.

Due to the impressive early type of foal that [Glacial Gold](#) is throwing to ASB mares we thought it is a must this next season to **BOBS nominate** him. This gives owners of this coming seasons ASB coverings a heap of extra prizemoney for Country and Metro races in NSW. **Plus his fee will be reduced!** So we're all chomping at the bit to breed to Glacial this coming season.

Though if you hate to wait, see the blog below :-)

An offer too good to miss

Buying a mare already in foal will not only save you time & money, it will give you an experience that will last a lifetime.

Having your foal right from their first breath is such a rewarding experience. Many of them bond so closely with the person that handles them extensively over the first week of their life that it makes sense to have your next special horse right from the beginning.

This technique, called imprinting, has lasting merits for the horse & will remain with them (& you) for forever.

We hand pick the mares we breed, and are thrilled with the stock we have to offer. And because we want our best stock out there with you, we have decided to put EVERY mare in foal on the market for you to chose from - plus we are offering **FREE TRANSPORT TO YOUR DOOR**. This offer only available for March & April so get in nice and early with your choice.

style (only in some of the) - 2020

Just in her first educational prep she looks an amazing athlete to say the least. OMG no wonder she is my favourite!!

She is thriving in racecourse life and loves being a racehorse. She should go over distance but also has a natural turn of foot.

I hope she is the one that flies the flag & shows the World what we already know which is **Profile is the real deal with his athleticism even better than his supermodel looks & hot apparel!**

Hilarious

Here is my mother (right) with her good friend Julie (second left) at "Trannie bingo" in Kings Cross, Sydney.

I am told that number 81 is a big fat mama next to an anorexic bitch!!!.

Really hilarious and on every week :-)
