

WINNING COLOURS FARM

E Newsletter November 2010

Congratulations Melbourne Cup Winner Americain

What a magnificent horse and a gallant effort. Once again a Hail To Reason sire line horse wins a prestigious Group 1. It would seem Hail To Reason sire line horses are as hot a Dane-hills. Americain is a third generation Hail To Reason sire line horse. Golden Slipper winners Sebring and Phelan Ready are both fourth generation Hail To Reason sire line horses. Another fourth generation Hail To Reason sire line horse that comes to mind is **Profile In Style (USA)**. His 2010 true black son 'Styled In Black' has a 5 x 5 duplication of Hail To Reason. [More details](#). Eight times Group winner More Joyous has a 4 x 4 duplication of Hail To Reason. Given time Profile's babies will be on this prestigious list of Hail To Reason sire line winners :-)

Snow Blizzard in the middle of Spring!

This is the second year in a row that we have served mares in a Blizzard! Rockley turned on the weather - as it did in most of the South East of Australia - on the 16th of October.

Thankfully our efforts were not in vain as Glacial Gold's covering that day of our Royal Show Champion mare On The Map (aka Prada) was successful. We are pleased to add that Glacial Gold's first three Thoroughbred mares were also preg tested, and all tested in foal.

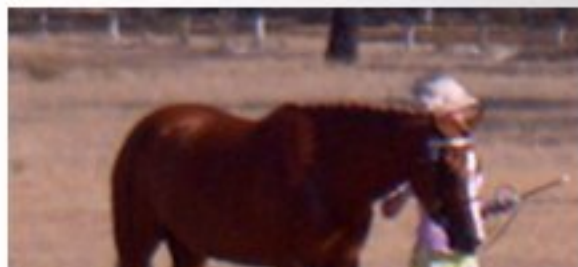

Pictured Right is actually Glacial Gold in the Blizzard!

Staff Profiles: Peta Oxenbridge

Peta (5 months pregnant!) and Champion mare Vapourise

Many of you know me Personally. For those of you who don't I have been involved with horses all my life and have worked for race-horse trainers and high profile Racing and Pacing Studs. Previous to that I worked indoors(!) at WIN Television and Westpac Investments & Insurances in their Business Banking division.

Nickname: Horsehead!
In my spare time: What's that.

Greatest achievements: Horsemwise it is my Royal Show Champion with a horse I bred, broke in and trained myself. Other than that it is meeting the man of my dreams and our children.

What is the most enjoyable part of your job: Meandering through the paddocks and patting the mares just for the sake of it.

And lease enjoyable: a negative pregnancy test.

Describe yourself in 3 words: Poor time manager (where does the day go?!)

Favourite horse: It changes all the time - right now it is Framed In History - he is one laid back cool dude!

Country I'd most like to visit: USA to see my sister.

To make the world a brighter place I would...

Stamp out poverty and erase criminal behaviour (is that too deep for a newsletter??!!)

Favourite music: I enjoy all genres but must confess I am a closet Prodigy fan!
